The word "alumnus" as used in this letter, refers to any man who has matriculated at the University, whether a graduate or not.

Dr. Earl J. Carter 1831

University of Georgia.

DEAR SIR:

As an important part of the celebration of the Centennial of the University, the Board of Trustees has ordered the preparation and publication of a CENTENNIAL ALUMNI CATALOGUE, to contain, as far as possible, a full but concise account of the life and services of all the alumni during the century.

The hearty co-operation of all living alumni, and of the relatives and friends of all deceased, is necessary to the success of the undertaking. Your prompt and careful attention to the inquiries set forth below will be a real service to the University, and will be most cordially appreciated. If you are not able to give the information under any head, please leave the space blank, so that it may be filled by others.

The alma mater again extends to all alumni a hearty invitation to join with her in the celebration of the Centennial, June 12th—19th, 1901.

Fraternally yours,

WALTER B. HILL,
Chancellor.
