Mr. W. H. C. Loyd, one of the best known citizens of Fairmour.t. died at his home in that place last Wednesday evening after a illness. Only a short time before his death Mr. Loyd was in town on business and the news of death came as a great shock to his friends here who did not even know of his sickness. Something over two weeks ago he left Calhoun to drive to Fairmount. day was very cold and pneumonia resulted from which he never recovered. Few men ever lived that were purer in character and sonel integrity than Billy Loyd and his death is a distinct loss to Fairmount and Gordon county.
