Norman Long JUN 14, 1951

This community was shocked and deeply saddened last Friday when Mr. and Mrs. Hubert Long were notified from the War Department that their son, Norman Long, is missing in action in Korea. Words can't express our deep sorrow for these parents, brothers and sisters. We sincerely hope and pray Norman is alive and will be returned to his loved ones. Norman has grown up in and around this community, and is well liked by all who know him. He always had

a bright smile and a gay hello for all he meets. He and a pal, Alvin Mills, volunteered for the Army last September. Norman was only 17 years old. "May God Keep and Protect him," and we all hope to see him, here, again.
