FATE

Only a band of Juniors  
 Bound for the College of Moore,  
 Only some hinges demolished,  
 Only a shattered door.

Only a desk in the corner  
 Piled with papers en masse,  
 Only a "Teachers Record"  
 Containing the marks of the class.

Only a look at the Record—  
 What mean those terrible cries?  
 'Tis only the wail of the Juniors—  
 Not a member has made a rise!
