Tutt's Pills are Worth their Weight in Gold

DR. TUTT—Dear Sir. For ten years I have been a martyr to Dyspepsia, Constipation and Piles. Last Spring your Pills were recommended to me. I used them (but with little faith). I am now a well man—have good appetite, digestion perfect, regular stools, piles gone, and I have gained forty pounds solid flesh. They are worth their weight in gold.

REV. R. L. SIMPSON, Louisville, Ky.

TRIUMPH OF CHEMISTRY.

TUTT'S HAIR DYE

Is a great triumph of chemistry. Gray Hair or Whiskers can be changed to a glossy black by a single application. It imparts a natural color, acts instantly, and is harmless as spring water.

The Augusta Chronicle.

OVER ONE HUNDRED YEARS OLD.

THE AUGUSTA CHRONICLE was established in 1785, but is still young, vigorous and progressive, and fully up to all the requirements of a first class newspaper. Democratic in politics, honest and fearless in the advocacy of all good measures—the organ of no ring or clique—it has no friends to reward or enemies to punish. The purpose of THE CHRONICLE is to advance the general good, and support such measures as will enure to the moral, social, educational and material advancement of the State and country.

The columns of THE CHRONICLE are free from the taint of sensationalism and the depravity engendered by immoral publications

The Telegraphic News service is full and complete. THE CHRONICLE contains an average of nine thousand words per day from the New York Associated Press. This service is supplemented by specials from able and talented correspondents at Atlanta and Columbia, who are indefatigable in their labors to give the latest news and the most interesting letters.

THE CHRONICLE publishes the full telegraphic service of the New York Associated Press.

Graphic and interesting letters from Washington are furnished daily; by a special correspondent, during the session of Congress.
