I am a member of the Bar of the U.S. Court where the writ should be granted.

T.Y.
I respectfully recommend clemency in this remarkable case. I followed the published history of it, and could not say that I would hold him guilty beyond a reasonable doubt. I never knew of such a persistent fight for life as he is making, and it seems to me, that any man who values life so highly, would hesitate to commit a crime which would deprive him of it. I have defended more than seventy-five men for their lives in the courts, so I have had experience with such cases.

Formerly Delegate in Congress from New Mexico, formerly Federal Judge of Porto Rico, and later U.S. Attorney Second Division of Alaska.

My dear Mr. Frank,

My dear young man, put your trust in God, get down on your knees with true faith and hearty repentance and ask Him to help hummer lead us no forsake us in time of trouble.

Oh my dear dear this in mind he is the one that has the power nothing can be done with...

My dear but your trust
in God, and I believe he
will spare you. I am a poor

in the South and I love it
and I am a Christian and I
love you. I am sorry
that colored man that you
so unjustly I am colored
but I am trying to do to
others as I would have them
do to me. I am praying
for you as you
I must pray thine is hope while it is life.
