Cotton raised on a large scale and yet plenty of other farm products and resources make this section free from periods of business stagnation. The boll weevil can not live in this section. Gainesville has low tax rate, no debts or bonds and has money in the treasury. 200 miles of graded and permanent roads. 475 miles of rural mail routes and a telephone system equalled by no other county in Georgia. Gainesville has cheap water power. Has three large hydroelectric power plants near which develop hundreds of thousands of horse power.

Some Other Gainesville Facts—
Municipal Water system.
8 mile trolley lines.
Many miles paved streets and sidewalks.
Reputation for cleanliness.
Splendid fire department—modern auto engine and apparatus.
Beautiful residences.
Scarcity of vacant property.
Most beautiful churches in Georgia.
Reputation as a church-going city.
6 strong banks.
11 wholesale houses.
Numerous factories.
Many large Department stores,
3 live newspapers.
Commodious office buildings.
3 large cotton mills.
Terminus of two railroads.
And a right to the name “Queen City of the Mountains.”

THINK, PRAY, DECIDE

"Earnestly contend for the FAITH delivered ONCE for all." (S. Jude, 3d verse)

These are days of investigation. Thinking people are not satisfied to accept vital conclusions without first investigating for themselves. Religion is a vital conclusion. It is a personal question. Where is that "Faith Delivered Once for All"?

Grace Church, the historic church of the Anglo-Saxon race, invites you to investigate. Questions will be cheerfully answered. Correspondence solicited. Write to the

FOREWORD.

In presenting this book to the public, we wish to state that it has been our desire to give to the people of Gainesville an accurate, complete and attractive directory of the town.

We recognize that, despite our great precaution, many defects may exist in the book, but every effort has been made to correct every defect and to avoid all mistakes. We beg the indulgence of the public for any mistakes that may still appear.

We wish to express our deep appreciation to the business and professional men of the town who by their advertisements have made possible the publication of this book. We respectfully ask for them the full patronage of the people of the town. It is these men who are responsible for all the general advance that the town has made and is making along all lines.

Included in this directory are the names of all who are sixteen years of age and over.

In the hopes that our efforts may have helped somewhat, at least, to contribute towards it, we hereby dedicate this book to A GREATER GAINESVILLE.

GAINESVILLE CITY DIRECTORY CO.
JAMES L. ROBB, Manager

POPULATION

Two thousand nine hundred and sixteen names appear in the alphabetical lists. Multiplying this by 2 2-5, the figures used by most city directories, the population of Gainesville proper is found to be 6,998. Add to this 2,700, the estimated population of the two mills, New Holland and Gainesville Mill, and the total population of Gainesville is 9,698.

A careful count of names of all above school age plus the school population, plus the number under school age gives practically the same figures as above.
CITY DIRECTORY

Gainesville, Georgia

What is your money worth to you anyhow, if we do not win this war?
Pruitt-Barrett Hardware Co.

We must furnish implements to make the great crops that are necessary for winning the war. In doing this we are furnishing the best there is in the land. The Oliver Chilled Plow is by far the best one on the market.

The best reason to prove this is every other manufacturer tries to make one like it, and will say "It's as good as the Oliver." Don't let any one put something else off on you, but always look for the Oliver trade mark.

We have had twelve (12) cars of these plows this year already. We always have a good stock on hand.

We have a car of Drag Tooth Harrows for the spring and can give you very attractive prices. Better buy now and save money, and also save worry, for it will be where you can't get them.

Yours for service,
Pruitt-Barrett Hardware Co.
BRENAU College Conservatory

The College offers a standard course leading to A. B. degree, and several special courses including domestic science, domestic art, painting, drawing, arts and crafts, secretarial courses, etc.

The Conservatory offers instruction in all branches of music leading to B. M. degree, and also special courses in all musical instruments for students who are not high school graduates.

The advantages in music are unsurpassed in America.

The School of Oratory has separate building and a very unique equipment including small theatre for practice, costume department, special library, equipment for teaching 'make up' and all phases of dramatic production.

New gymnasium, swimming pool and abundant opportunity for outdoor life.

Pleasant social life encouraged by numerous clubs and seven national sororities. Patronage from thirty states.

The Brenau School for Girls, a separate institution, but adjoining the College campus, will prepare girls under sixteen years of age for college entrance.
