This Directory contains a list of adults in the City and suburbs, where it was possible to obtain this information.

Every effort has been made to make the directory complete and reliable but no guarantee is made as to accuracy or completeness of the information herein contained. A house to house canvass was made of all the houses in the territory and we believe the information will be of service to the subscribers and the public generally.

Only such abbreviations are used as will be readily understood by the user of the Directory.

Streets and Avenues are listed alphabetically. The location of every street in the City is given and heads of houses and street numbers are given for a large number of the streets and avenues. This street guide does not include the streets in New Holland, Gainesville Mills and streets and roads outside of the City of Gainesville. However street location is given after the name in the general directory.
