To Henry Yonge Esquire, Deputie Surveyor-General.

You are hereby directed and required to measure, or cause to be accurately measured and laid out unto John Lariscoy One Hundred Acres on the South side of the Lower Part of River Brock.

Observing His Majesty's Instructions in laying out the same, and taking the utmost Care you can, that the same has not been heretofore run out on any Warrant or Patent, but be vacant Land; and return this Warrant, with a Plat of the Lands so laid out annexed, certified by you, into the Secretary's-Office, within Six Months from this Date, that a Grant may be prepared for the same.

Given under my Hand and Seal, this fifth day of Decem[ber] 1758.

[Signature]

James Whitefield, Recorder.
