N.B. Letters of Administration Granted 1st Oct'y 1774
There do belong to the above chart, since my last writing, a considerable number of Elizabeth's understandings in the subject of these aforesaid acts, as equally entitled to be a reference to the same as the rest of the acts. The three, first, second and last acts written the 22nd of the month of April, 1767, are equally as important to the reader and society as the rest of the acts described in the above chart.

The whole of the aforesaid acts are equally as important to the reader and society as the rest of the acts so far as they respect the same, and are, as such, equally as important to the reader and society as the rest of the acts so far as they respect the same.
