Camp 20th October 1702

Sir,

I write to you the 27th August by order of Genl. Greene, for the Accounts against the United States for the Supplies of Clothing furnished the Army under the command of Genl. Wayne. But have not had the honor of an answer.

In the evacuation of Chat. Deer, I expect some of the Troops will be ordered to the Northward, of consequence there is a necessity that their Accounts should be settled before they March. I must therefore be kind enough to order them Accounts to be sent as soon as possible.

I have the honor to be with great respect your most obedient Serv.
