Sir,

Augusta, 23 Sept. 1783.

Thinking it unnecessary to retain any papers which came to our hands as Commissioners, we, in July last, gave in the account you have demanded, this receipt and other vouchers for the expenditures of negroes, to Hugh Lawson Esquire, Acting Commissioner, whose general receipt we have for twenty-seven paid to Jackson, Lygon, and four to Mr. Lock, by order of the Assembly.

We have the honor to be, Your honor, most obediently,

Peter Paris
