War Department, Sept. 15, 1790

Sir,

The Congress of the United States have directed the Secretary of the Treasury to issue certificates to the military invalids, and to the widows and orphans of such officers, non-commissioned officers and privates who were killed or died while in service of the United States, and who are entitled to pensions by the acts of Congress, for the arrears of their pensions due prior to the fourth day of March, 1789. It has therefore become necessary to ascertain with precision, the sum due to each individual of the above description.

As several of the States may have paid at least or the whole of the said arrears since the return received at this Office, I have the honor respectfully to request that you would be pleased to cause me to be informed, whether any such payment of arrears has been made by the State of Georgia since the seventeenth day of December, 1789, the date of the list transmitted to this Office by your direction.
If any partial payments have been made by
the State of Georgia, I take the liberty to request the
information, whether any arrearages prior to the said fourth
of March, 1789 remain due, and if so, the amount to
each individual.

If no payments have been made since the date
of the said list, the arrearages may be made out at this
Office, presuming on the accuracy of the list received.

I have the honor to be,
Your Excellency's,
Most Obedient Servant,

[Signature]

His Excellency
The Governor
Of Georgia.
