I now present a certificate which I hope will convince you, and others, of my late conduct—I must implore you, therefore, to use your interest in my behalf, with the Governor, to obtain a full pardon for me—without it, I am told that I cannot be a proper evidence at law. Some rascals have lately taken advantage of this, and added many things from me; in short, without it, I must be ruined by these rascals.

I am at your service.
