Mayor's Office,

Newport, R. I., Feb. 1, 1864.

My Dear Sir,

A few days ago I was in New York and accidentally met Gen. Burnside as I was passing down the Fifth Avenue. I enquired about your son, and asked him if he had conducted himself properly and to his satisfaction; he replied in his brief and emphatic manner, "certainly he has—If he had not, I would not have retained him." This shows that he was perfectly satisfied with him.

Yours very truly,

William H. Emancipation.
Sir:

You have been appointed a Captain in the 22nd Reg. U. S. Col. Troops, and your appointment has been received at this office. Not knowing for certain what your P.O. address is, I shall retain your papers until you can give them as given some direction about forwarding them.

Very Respectfully,
your obedient,

B. Brandon
