"* * I was born broke and I am broke now. Why didn't my ancestor Colonel Rhett go in business with Stede Bonnet and not hang that prosperous pirate ... my huge gains at Three Card Monte are all in Confederate money. Looks like I'll starve ... think of the money they're making running blockade out of Wilmington. Yankees can't catch Lynx, Little Hattie or Will O' the Wisp ... Pierce Butler's infernal Fanny Kemble wife's lying book turned British public opinion against the South ... she spent the money his slaves earned gladly enough! * * *"
