Dear Sir,

I would like to be advised what to do in relation to the Post office matters at this place. Swainsboro, as I will have to make a return for the last of this month, and who shall I make it to, whether to the General Post Office Dept. at Washington, as usual, or to the Post Office Department, Montgomery, Ala., and as I was appointed P.M. by the P.M. G. at Washington D.C. I now consider that I am no longer a U.S.A. Officer, the office must as at necessity be vacated. I know not what to do. Please advise me on the subject.

Yours very respectfully,

Dear Sir,

The Rail Road both Central & Savannah & E.R.R. require freights to be paid at each station before they will forward the same. I have no funds at my disposal, therefore a freight hereof has been advanced to Captains Miller & Co. At the same time you advise a recondition what is to be done—Money is required as there are large sums due the Government by both roads.

With respect,

My dear husband, take this pen in hand to let you know
how I feel at present. I am well and need at this time
hope. These few lines may find you. If that is so,
you want you to come here just as soon as you get
this letter and for about two hundred and fifty
pounds of my penance is burnt up on my crop
is pin to every thing. My corn is up and no
body to make it up forms if you can't get
it for under five or six days. Making you can
hire some body to fix it for me. The stock is
ruining my corn & do nothing now at present
so you must close to remain yours affectuately until date.
