Dear Sir. My Grandson W. J. Peck, who I educated at the Presbyterian College at Nashville, was taken by General Sidy Johnston and made a full prisoner for the 41 Tennessee Volunteers and was taken prisoner at the fall of Johnson's. Since then he has been a prisoner near Sandersby, Ohio, until lately, he was exchanged at Abbeville. Recently he received an appointment under Major J. A. Gordon to raise a company for his intended Regiment after progressing in that, he has been appointed by the Secretary of War, the near advance of P. Wish now to get your Excellency to give him authority to raise a Company for State Service Guarding Bridges, mills or any other Service you may order him to. He is near at my plantation in Bartow County, near Pacesborough, where he has been raising a part of his company & part I have raised for him here. If you think proper to give him the appointment you will send it to me as from his guardian and I will communicate it to him.

He is between 19 and 20, of age, and a good drill officer.

Dear Sir,

In boiling my little crop of sugar, I have saved the skim-mings in order that I might still them into rum for my own use and the use of my neighbors for medicinal purposes, and as I do not wish to transgress the law or evade it in any way, I have addressed your Excellency in order to obtain a permit for making the skim-mings into rum, which would be worthless for anything else; I do not suppose that I could make more than ten or fifteen gallons from my little crop; please write to me at your earliest convenience as the skim-mings will not keep long after boiling.

I will refer you to Hon. J. L. Lowe and Judge cabinet of Thomasville, Col. Manning, and Thomas J. Griffin of Townes as in reference to my character.
