Columbus, Geo. Nov 17. 1763

Dear Sir —

The undersigned, would respectfully inform Your Excellency that we have been appointed a Committee, by the Presbyterian Synod of Georgia, now in session in this city, to transmit to you the enclosed certificates copies of their acts, in relation to the appointment of a day of fasting and prayer in view of the troubled condition of our country; and also in relation to a recommendation made by your Excellency in your recent Annual Message, touching the prohibitions of the running of riding teams on the Sabbath. —

In discharging the duty assigned us, we beg leave to state that both sets of resolutions were passed without a dissenting voice.

We congratulate ourselves and the Country, that in these times of trials, a Christian citizen, a man of prayer, is in the Executive chair of our Beloved State.

With assurances of high consideration —

Very Respectfully, (Yours)
